Following the luncheon at the Copper Queen hotel, the party motored over the Divide as far as the Bisbee Extension property, later making a trip over the roads leading to the various shafts of the Copper Queen and C. & A. mines. Tea was served later at Mr. Brophy's residence on School Hill. Those invited to meet the officers at the luncheon and accompany them on the motor trip were M. J. Cunningham, Harry B. Rice, of Douglas, and F. E. Studevant.

### DENOUNCING MEDICINES.

Wholesale denunciation of proprietary medicines is no more justifiable than wholesale denunciation of the medical profession. It is no more true that there are reputable physicians who unselfishly devote their lives to an unending struggle with disease than that there are standard remedies which do as good a work; often where the work of a good physician cannot reach. A good example is Lydia E. Pinkham's Vegetable Compound, which has for forty years been alleviating the sufferings of women and curing the ills peculiar to their sex.
